

FR LED Washdown Spotlight

Model#: FR-SL205

Metaphase's new LED spot light provides low cost, washdown illumination. These new illuminators are available in a variety of beam angles and optimal working distances. Rugged waterproof housing stands up to high pressure washdown environments.

BENEFITS

- Low cost
- Easy mounting
- Washdown
- IP65 rating
- Low power energy consumption
- Swivel bracket for precise positioning
- Splash & drip proof

WAVELENGTH (nanometers)

White 6000K
Red 630
Green 455
Blue 530

APPLICATIONS

- Area illumination
- Part identification
- Food & medical
- And more

COMPLIANCE

SPECIFICATIONS

Finish	Black Anodized
Weight	1LB/453g
Operating Temperature	-30° C to 60° C
Lifetime Hours	75,000 Hours
Illuminance	725,000 Lux
Dimming Control	0-10V built in compatible with DDC-3 and ILD-35

DRIVERS

Some drivers may not be compatible with all sizes due to current requirements, etc.

- **24V** - our most popular configurations for use with a standard 24v constant voltage power supply
- **ULC-2** - for use with constant current controllers such as our ULC-2 Universal Controller
- **ILS** - configure for strobing applications with power boost for increased intensity for rising and falling edge triggers
- **Keyence** - compatible with Keyence light controllers such as the Keyence CA-DC21E
- **Baumer** - compatible with Baumer VeriSens cameras
- **Cognex** - compatible with Cognex cameras
